

# Small Catamaran Handicap Rating System

## SCHRS RATINGS

Last Updated: SCHRS 2012 Master 28-3-2012

Please note that if your boat is shown below, but without a rating, this means that we do not have one or more of the measurable data points required to calculate a rating. If you have a full set of data points supported by a copy of your class rules and or a measurement certificate please forward them to an SCHRS representative for inclusion on the site.
