Deposit for damage or loss

- A refundable deposit of 700 Euros per boat will have to be paid on site either in cash or traveler cheque before the regatta.
- This deposit will be paid to the Hobie Cat representative on site before the delivery of the boat and will be refunded after the regatta and after a full checking.
- Only Euros will be accepted.
- No payment by credit card will be accepted for the deposit
- In case of damage or loss, the amount for repair will be taken from the deposit and the competitor will have to restore the initial amount of the deposit before starting the next race.

Insurance

- The sailor who charter the boat will have to give evidence of his third liability insurance before he is allowed to use the charter boat.
- The sailor will be responsible of the boat and its equipment during the whole event. The sailor and his crew will assemble the boat before the regatta and will disassemble it after the regatta. This include to remove all stickers that will have been applied on the hulls and sails for the regatta.
- In case of thief, a declaration will be to be filled with the local police and signed both by the sailor or his representant and Hobie Cat representative. In this case, a forfeit of 700 Euros will be supported by the sailors (amount of the deposit).

Description & constraints

- The charter boat will be supplied with all its equipment including a beach dolley, spi pole and trumpet spinnaker system.
- NO hole will be drilled into the hulls, except with the express agreement of Hobie Cat Europe.
- Additionnal class legal equipments can be added to the boat, as long as they are not permanent and can be removed from the boat without damage after the event.
- NO hole can be made into the sails. Additionnal tell-tails can be put on the sails as long as there is no damage for the sails.
- The event sponsor logos will be sticked on the hulls and on the sails. These logos may not be removed before the end of the regatta. No other logo can be put without the express agreement of the event organiser and of the IHCA before the event.
- Own sails cannot be used on the charter boat without the express agreement of the event organiser and the IHCA before the event.
- After each race, the sailors will have to put the sails and small rig equipment of the charter boat in a safety place in order to avoid any thief.

Children under 18 years old

If the user of the boat is less than 18 years old, his parents must expressively authorize him to use the boat and guarantee the observance of all the rules and specifications of the charter agreement. The use of the boat by a child under 18 years is the full responsibility of his parents.
